WHEREAS, on March 17, 2020, the Mayor and the Health Commissioner jointly issued an Emergency Order prohibiting operation of non-essential businesses to prevent the spread of COVID-19; and

WHEREAS, on March 19, 2020, the Governor and the Secretary of the Pennsylvania Department of Health issued orders requiring all non-life-sustaining businesses to close across the Commonwealth, to help stop the spread of the virus and the Governor and Secretary updated the aforementioned orders and list of life-sustaining and non-life sustaining businesses on March 20, 2020 and multiple times thereafter; and

WHEREAS, on March 22, 2020, the Mayor and the Health Commissioner jointly issued an Emergency Order Temporarily Prohibiting Operation of Non-Essential Businesses and Congregation of Persons to Prevent the Spread of COVID-19, which superseded the Emergency Order issued by the Mayor and Health Commissioner dated March 17, 2020, and which was approved as a regulation of the City by the Board of Health on March 26, 2020, which expressly authorized the Health Commissioner to issue such additional orders as the Commissioner determines are necessary or appropriate to limit the spread of COVID-19; and

WHEREAS, on April 15, 2020, the Secretary of Health of the Commonwealth of Pennsylvania issued an Order “Directing Public Health Safety Measures for Businesses Permitted to Maintain In-person Operations,” which requires comprehensive safety measures to be employed in all businesses maintaining physical operations, including standards for cleaning and disinfecting high-touch areas, establishing protocols for businesses exposed to probable or confirmed cases of COVID-19, limiting the numbers of employees on the premises and ensuring access to protective and sanitary equipment and supplies; and

WHEREAS, although the Governor announced that Philadelphia was authorized to join other southeastern Pennsylvania counties in moving to the Green Phase of reopening on June 26, 2020, the Mayor and Health Commissioner, in consideration of public health data and the noted effects on public health in June and July in states that have hastily reopened, including marked increases of positively identified COVID cases, the City is taking a cautious approach to moving to the Green Phase; and

WHEREAS, on July 3, 2020, the Mayor and Health Commissioner issued an order that moved the City from the Yellow Phase to a Modified Green Phase and that, among other things, generally increased the permitted capacity for outdoor gatherings and small events from 25 people to 50 people and generally permitted formally organized and non-organized outdoor sports activities for youths and adults; and

WHEREAS, on August 6, 2020, the Governor formally announced his strong recommendation that all school-based and formally-organized recreational youth sports activities be suspended until January 1, 2021; and

require that any permitted activities are carried out under applicable safety requirements and guidelines; and

WHEREAS, average daily case counts have been falling through the month of August and into September and the spread of COVID-19 through outdoor gatherings is less likely than through indoor gatherings; and

WHEREAS, pursuant to authority set forth in The Philadelphia Code and The Philadelphia Home Rule Charter, the Mayor has broad authority to set forth limitations on public activities during a state of national health emergency; and

WHEREAS, Sections 6-205 and 6-206 of The Philadelphia Code and applicable state law provide that the Department of Public Health may by order forbid the congregation of persons when necessary to prevent the further spread of a communicable and quarantinable disease and may take such other measures as are necessary to prevent the spread of such disease;
