To Whom It May Concern,

In the event I am unable to attend a zoom meeting on April 22 or 23, I would like to voice that I am against a water rate increase. I will try to attend one of the zoom meetings to voice my opinion there as well. All utilities continue to increase as well as my mortgage, which just went up \$200 (now \$1700/month). Please don't increase water rates (praying hands emoji)
