

Longtime Owner Occupants Program (LOOP)

LOOP is a Real Estate Tax relief program for income eligible homeowners whose property assessments increased by at least 50% from last year or increased by at least 75% in the last five years. You must have lived in your home for 10 years or more.

LOOP limits the increase to your current year taxes to 50% or 75% (depending on your eligibility), and stops increases to future Real Estate bills for as long as you

qualify for the program. This protection keeps future bills the same unless tax rates increase.

Participants in the LOOP program are not eligible for the Homestead Exemption. You will need to determine which program works best for you. Use the form below to help calculate the difference in these benefit programs.

Applicants must return pages two and three of this application. The deadline to apply for **2024** is **September 30, 2024**.

LOOP or Homestead? How to choose

Before applying, estimate your Real Estate Tax bill with both LOOP and the Homestead Exemption. To determine if you qualify for LOOP, you will need your current and previous five year assessments. You can find these values at property.phila.gov.

The form below can help you understand how much your Real Estate Tax bill would be with each program.

If you enter into LOOP and then leave the program, you cannot re-enter LOOP later. (You may re-apply if you qualify again in the future for a different year's assessment.)

Only you can decide which program is best for your household. You may need to evaluate what matters most to you: savings now or savings in the future.
