

# BUSINESS TECHNICAL ASSISTANCE PROGRAM

## FREE TAX SERVICES FOR ELIGIBLE BUSINESSES

### ABOUT

The Department of Commerce offers **free tax services** for small businesses through the Business Technical Assistance Program (BTAP).

The BTAP program partners with professional accounting firm to provide free business tax services. The total number of assistance available through this service is limited, reach out now.

### SERVICES

The services available through the BTAP program include:

- Business tax preparation
- Bookkeeping
- Accounting services

### LEARN MORE AND SUBMIT INTEREST FORM

To apply, fill out the interest form available online. If your business is eligible, the Department of Commerce will contact you. Eligible businesses:

- Be a business owner with a low-to-moderate income.
- Be registered and licensed with the City of Philadelphia.

After you submit the interest form for free tax services, learn about the additional resources, programs and services available through the Department of Commerce to help businesses thrive in Philadelphia. We are here to assist.
