Director Mondlak:

Thank you for your email. The Historical Commission's agenda for its September 13, 2024 meeting has been revised to indicate that you have requested a one-month continuance, not a two-month continuance, for the review of the nomination for 700-34 Race Street, the Roundhouse.

Dr. Farnham, after discussions with stakeholders and further consideration, I would like to modify my request for extension by reducing the request to a 30-day extension with the understanding that we would be placed on the October 11, 2024 agenda. Thank you.
