

Procurement Forecast

The information included here is for information purposes only and is subject to change at any time.

The City of Philadelphia is making transformative infrastructure investments thanks, in part, to historic investment from the Bipartisan Infrastructure Law (BIL). The City is investing in critical infrastructure, including roads, bridges, public transit, water systems, climate resilience, and broadband accessibility.

In anticipation of these investments, the City of Philadelphia has created a forecast of potential upcoming contract opportunities. The forecast is intended to increase transparency and provide potential contractors more time to plan and prepare competitive bids and proposals, increase vendor submissions, and encourage more participation from historically underutilized businesses (HUBs).

Procurement Forecast

- Provides a preview of anticipated upcoming contract opportunities
- Includes potential contracts from City of Philadelphia departments such as Philadelphia Water Department (PWD), Department of Aviation (PHL/PNE), Department of Streets, and the Office of Sustainability (OOS)/Philadelphia Energy Authority (PEA)
- Includes potential contracts from agencies such as School District of Philadelphia (SDP), Philadelphia Gas Works (PGW), and SEPTA
- Provides information on the potential opportunities including:
 - Project Owner
 - Name of Project
 - Scope of Work/Description
 - Potential Subcontracting Opportunities
 - Procurement Platform
 - Estimated Let Date (Date opportunity opens)
 - Historically Underutilized Business Program Utilized (M/W/DSBE or DBE)
 - NIGP or NAICS Code
 - Estimated Cost
- Anticipated to be updated every six months.

Find Contract Opportunities

The agencies advertising contract opportunities employ various contracting platforms. The “Bidding Platform” column indicates where to search for an opportunity once it is advertised.

Businesses can search for active contracting opportunities for **City agencies** using the following contracting platforms:

- [PennDOT's ECMS platform](#)
- [Contracts Hub](#)

You can also learn more about the process of [bidding on the City's public works contracts](#).

To find and bid on contracting opportunities with **partner agencies**, businesses can search using the following contracting platforms:

- [Procureware](#) - Philadelphia Gas Works (PGW)
- [Oracle Supplier Portal](#) - School District of Philadelphia (SDP)
- [eProcurement System \(ePS\)](#) - Southeastern Pennsylvania Transportation Authority (SEPTA)

Procurement Forecast

	Project Information			Bid Information						Cost
Agency	Project Name	Scope of Work/Description	Potential Subcontracting Opportunities	Procurement Type	Bidding Platform	Estimated Let	Utilize DBE or M/W/DSBE?	NIGP Code	NAICS Code	Cost Estimate
Aviation	Primary Substation Improvements	Electrical Construction	Upgrades or improvements including replacements of Control Power Transformers (CPT), oil filled transformers, installation of fire suppression systems, replacement of capacitor banks, breakers, etc.	BID	PHLContracts	Oct-24	M/W/DSBE	914-38	N/A	\$2,000,000 - \$10,000,000
Aviation	Parking Garage C Renewal and Misc. Repairs	General Construction	Garage C restoration includes structural repairs, waterproofing, expansion joint(s), sealant, concrete repairs, exterior envelope, and plumbing systems to include domestic water, heating, fire, sprinkler, and stormwater.	BID	PHLContracts	Oct-24	M/W/DSBE	909-10	N/A	\$2,000,000 - \$10,000,000
Aviation	Electric Vehicle Chargers DOA Fleet	Electrical Construction	Installation of 22 Level 2 chargers and 7 Level 3 DC Fast Chargers to serve electric vehicle fleet.	BID	PHLContracts	Oct-24	M/W/DSBE	914-38	N/A	\$500,000 - \$2,000,000
Aviation	Taxiway E Rehabilitation	General Construction	Taxiway E is the primary parallel taxiway for Runway 17-35. The portion included in this project extends from Taxiway E2 to E4.	BID	PHLContracts	Oct-24	DBE	913-10	N/A	\$2,000,000 - \$10,000,000
Aviation	PNE Perimeter Fence Improvements- Package 2	General Construction	TBD	BID	PHLContracts	Oct-24	DBE	988-15	N/A	\$500,000 - \$2,000,000

Procurement Forecast

SEPTA	Replacement of the MFSE Signal System	Replacement of the MFSE signal system	Electrical	BID	SEPTA eProcurement System	TBD	TBD	TBD	TBD	Over \$10,000,000
SEPTA	Station CCTV Camera Replacement	Replacement and upgrade of existing security cameras and video system components throughout the SEPTA system in stations and on vehicle fleets, including inward-facing cameras within Regional Railcars and crash hardened digital video recording devices in the bus fleet. A digital evidence management system will also be provided to allow SEPTA to securely collect, manage, store, review, and share digital evidence.	Electrical	BID	SEPTA eProcurement System	TBD	TBD	TBD	TBD	Over \$10,000,000
SEPTA	Trolley Modernization	The Trolley Modernization program aims to create an accessible and efficient trolley system for SEPTA. Approximately \$1.983 billion is allocated, including \$1.736 billion over the next 12 years and nearly \$247 million from prior funding. Despite this, over \$1 billion is still needed to fully fund this initiative and other significant projects. The funding will support the acquisition of 130 new ADA-accessible streetcars and enhancements to the trolley network's infrastructure.	General/Mechanical/Electrical	BID and RFP	SEPTA eProcurement System	TBD	TBD	TBD	TBD	Over \$10,000,000
