

**No Internet or  
Wi-fi? Have  
internet, but it is  
too expensive?  
No problem!**

*PHLConnectED can help.*

### **What is PHLConnectED?**

PHLConnectED is the City's initiative to help pre-K-12 families get access to free or low-cost internet.

### **Who can get connected through PHLConnectED?**

- Families with a PreK-12 student enrolled in a Philadelphia school
- Families who do not have wired, in-home internet access
- Families who can only access the internet through a mobile device
- Families who are experiencing homelessness or are in-between housing
- Families who are struggling to afford home internet
- Families who participate in certain public benefit programs with income qualifications

**Dial 211** and get one-on-one support to:

- Find a low-cost or free home internet option
- Complete simple online tasks
- Enroll in digital skills classes
- And more!

### **How to Connect**
