

Income-based Wage Tax refunds

If you qualify for Pennsylvania tax forgiveness, apply for a Philadelphia Wage Tax Refund. The average refund is about \$275!

If you file for Pennsylvania Tax Forgiveness through **PA Schedule SP**, and are approved, you also qualify for a refund of part of your employer-withheld City Wage Tax.

The City of Philadelphia now has an easy-to-use online refund application on the Philadelphia Tax Center. Go to **tax-services.phila.gov** (see 'Refunds' panel) and get started. You don't need a username and password.

You can also submit a paper petition form. Download yours at phila.gov/revenue/income-refund

Along with your completed refund petition form you must include:

- Copies of all your W-2's
- A copy of your completed PA-40 form and PA Schedule SP (tax forgiveness)

Remember, start by completing a *PA-40 Personal Income Tax Return*, as well as a *PA Schedule SP*. Find more info and complete eligibility at: **bit.ly/PAScheduleSP**
