

CONSTRUCTION NOTICE

MAY 2024 RESURFACING & NEW LAYOUT

Tabor Avenue, Godfrey to Levick

Updated May 2024

FEATURES

- Smooth asphalt and new pavement markings
- Refreshed crosswalks
- A new, safer roadway layout

Travel lanes will be open during most construction. Please follow posted signs, detours, and parking notices.

NEW LAYOUT

Godfrey to Devereaux

Godfrey Avenue to Devereaux Avenue will have a two-way, parking separated bikeway.

Devereaux to Robbins

Devereaux Avenue to Robbins Street will have conventional bike lanes.

Based on community feedback, the new layout retains parking and keeps the turn lane to Levick Street.

The City is seeking funding for additional improvements to Tabor Avenue. We will be asking the community to provide further input.
