# LETTER FROM THE **Director of Commerce**

Dear Philadelphians,

**The Taking Care of Business (TCB) program** has expanded significantly as part of Mayor Cherelle L. Parker’s steadfast commitment to making Philadelphia the safest, cleanest and greenest big city in America with access to economic opportunity for all. All Philadelphians deserve to do business, live, shop and work in neighborhoods across the city that are clean and well-maintained. Thanks to the efforts of City Departments and TCB Organizations, we have made tremendous progress in realizing this promise. TCB has a key role in supporting the initiatives from the Office of Clean and Green Initiatives and the Sanitation Department.

TCB is revitalizing our commercial corridors, supporting small businesses, and creating meaningful employment opportunities for residents. We are proud to invest in the success of TCB Cleaning Ambassadors by providing \*skills, training, and credentials\* that open doors to future employment across various industries. The TCB Cleaning Ambassadors – working directly with neighborhood organizations – bring their local knowledge, passion and dedication to keeping our commercial corridors clean.

The Department of Commerce is thrilled to provide this directory guide to the Taking Care of Business Program. This directory highlights the areas where this impactful work takes place and the organizations leading these efforts day in and day out. While this document outlines the current scope of TCB cleaning, the program continues to expand. Existing TCB organizations are broadening their efforts, and new areas will be added to the program throughout the first quarter of 2025.

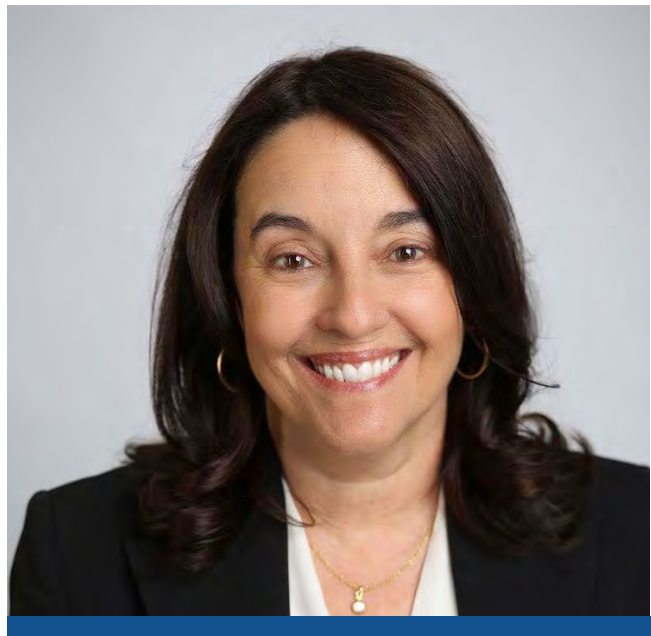

We are grateful for the partnerships with over 40 community organizations and small businesses that make this work possible. We look forward to continued collaboration in building a city where businesses and communities flourish.

We hope that this guide is helpful in illustrating the scope of this program and that you will use it to connect with the organizations performing this critical work.

Sincerely,

**Alba Martinez**  
Commerce Director  
City of Philadelphia

## TAKING CARE OF BUSINESS

# Program Overview and Goals

Philadelphia Taking Care of Business (TCB) Clean Corridors Program funds community-based nonprofits to sweep sidewalks and remove litter within neighborhood commercial corridors.

### TCB has four main goals:

Maintain clean commercial districts in Philadelphia neighborhoods.

1

Promote the economic success of neighborhood businesses by creating an inviting environment for shoppers.

2

Create work opportunities for Philadelphians.

3

Grow the capacity of local small businesses and organizations that provide cleaning services.

4

TCB invests in people and small businesses by creating employment opportunities for residents and keeping Philadelphia's neighborhood commercial corridors clean.

Increased funding for commercial corridor cleaning—championed by former Councilwoman Cherelle Parker and secured by City Council in November 2019—made TCB possible.

# TAKING CARE OF BUSINESS

## By The Numbers

Current Snapshot, March 2025

**39**

ORGANIZATIONS  
contracted to perform sidewalk  
cleaning

**324**

CLEANING AMBASSADORS  
maintaining clean corridors

**177,302**

BAGS OF LITTER  
collected by TCB crews in 2024

**\$16.35**

# VACANT LOT MAINTENANCE EXPANSION

## Pennsylvania Horticultural Society LandCare Program

The most challenging trash conditions on neighborhood commercial corridors are often exacerbated by overgrown, unmaintained vacant lots. Those lots become magnets for illegal dumping, and can undermine the great work that TCB crews do to keep their areas clean.

As part of the expansion of the Taking Care of Business Program, the Commerce Department has partnered with the Pennsylvania Horticultural Society (PHS) to clean up the vacant lots near commercial corridors. Since fall 2024, this partnership has cleaned up and fenced **192 lots**— in the spring, they will add **192 more lots**. PHS then adds these to their existing vacant lot program, where they're maintained by community-based organizations.

In November 2024, Commerce and PHS also expanded the vacant lot program to a year-round schedule, preventing the accumulation of trash and dumping during the cold weather months. Since the expansion, **1,155 vacant lots** near commercial corridors citywide have received year-round maintenance.

## Taking Care of Business is expanding.

With the support of Mayor Parker's One Philly Budget, many of the existing 39 organizations in the program are expanding their service areas, hiring more cleaning staff and adding cleaning hours. In March, new organizations and new areas will be added to the program.
