I have lived in Philadelphia for 74 years, my entire life.

I have never seen anything like the recent years of CRUSHING taxes and charges on homeowners.

How much flexible income do you think we have to give you?

Many of us are working class people who saved and lived carefully all our lives. Yet, any relief programs set income levels so low-- we do not qualify for anything.

You are driving seniors OUT OF THEIR homes. Is this the city you want?
